

Quality Policy

Code: Anexo I
Version: 03
Date: 03/05/2012
Page: 1 of 1

LAZARUS Management, a company dedicated to the recovery and data protection, agrees to comply with the principles of its Quality Policy, which are listed below:

- Providing fast and secure data recovery services, trying to maximize/maximizing the information retrieved in each case.
- Making Data Recovery Services accessible to as many people as possible.
- Adapt/suit the needs of our customers.
- Continuous improving of the effectiveness of our quality management system.
- To comply with legal requirements and other requirements that could apply.
- Define quality objectives taking its Quality Policy as a reference/reference framework.
- Applying innovation as constant quality improvement.

In this sense, LAZARUS Management has a staff of qualified professionals and provides the resources needed to achieve its quality objectives.

Signed

Manuel Huerta
Director General
